SWEET BRIAR COLLEGE
SWEET BRIAR, VIRGINIA

FOREWORD

IN accordance with the policy of your Alumnae Association for many years, of attempting to keep in close touch with every former student of Sweet Briar, many alumnae publications issued during the academic year are sent to every alumna regardless of the degree of her activity or interest. These publications include the October issue of the *Alumnae News*, the Fund Report, the Sweet Briar Day invitation, the Commencement invitation, and this year the Alumnae Directory. With 4,700 on the mailing list alumnae will readily understand what this means in effort, time and money expended.

In compiling this directory, every effort has been made to secure as accurate information as possible. Many alumnae are still "lost" to the alumnae office records. The cooperation of every alumna is earnestly requested. Please *report promptly* mistakes of any kind, as well as addresses of the "lost" group or information as to how those addresses may be secured.

ALPHABETICAL LIST

Living Sweet Briar Graduates and Former Students

(Arranged according to maiden names)

From 1906, when the college opened, through 1918, a preparatory department known as the Academy, was maintained in conjunction with the college. During that period special students were admitted. Due to the incomplete nature of early college records, it is very difficult to be sure of correct classification. Alumnae finding themselves incorrectly classified in this directory will please notify the Alumnae Office promptly.

(A) indicates Academy students.
